March 24, 2019—ROARSHOCK PAGE sends Best Wishes for a Happy 100th Birthday to Lawrence Ferlinghetti—legendary poet, painter and publisher, a treasure of San Francisco and the world, and every universe in which there is art and literature. Thank you, sir, most sincerely for your work.

PARIS CUT-UP #5

Geisel was born, occurred, in Caprese, Italy. So, Dornjo, since you intend up the Redwood Road, you should have been many problems this year on the road between the Vineyard Land. Out-Castes newly, but just the sort that we out rascals, villains, killers and to natives they are coming out of land of Albion. "A land that I in." Dornjo interjected, his voice was deep as the mighty ocean. Available April 30, D. A. Wilson's chapbook, *First and Other Poems*, available. ROARSHOCK PAGE available in a special edition. A stranger character considerable disagreement not he human. Sir Laugh they are never laughing humor. I have heard from drinking on the Coast to calm close to the rumors, but name from his ferocious can organize the southern matter at all, Nogust said. Vineyard Valley and the great. Should El Dorado rather avoid the tolls the people of Shast are outrageously those under duress a tribe of dark who rule the natives that old tale. Some years in Shast to learn I'd as soon not pass that laden pony. I believe they laughed heartily and I'm bound to travel north. Published by: Golden Land Information, North Beach Station, PO Box 330108, San Francisco, CA 94133 email: goldenland@ Copyright © 2000. Others: that over thirty years believe in it either, Nogust replied, less credible than my father and your existence. He continued: true been so bold as to attack our own. This hot dry weather seems to be extremes of desperation and vicious homesteads have been burned. Theodore "Dr. Boston" John Belushi died. Michelangelo was Alan K. Lipton, Fort Alamo in Texas up the Redwood Road, troublesome bandits into his cup. If anyone, I fully expect your Charlshold to move matters, Dornjo, have you any news of may have missed? I'm sure you Free Trade Towns would be threatened. Dornjo said, giving his bushy brows all over the Golden Land. Aye! Nogust you make allusions to such tails. Dornjo, some details! Continued from a work in progress room in the Quarter Gallon Inn, oaken door and walls of dark-

ly sounds of merriment as Nogust's patrons of the Inn enjoyed their beer. Nogust was tall and hand disposition. His hair and beard, the garb that he wore, but powerfully sturdy. His hair once as dark as Nogust's were whiter shades of grey, and his extremely weather-worn Neal Atkinson was Akira Kurosawa was Harry Houdini born Brenna Rose Wilson. Tennessee Williams was Marlin Perkins was Three Mile Island Vincent Van Gogh was Cesar Chavez was born issued into Albert Einstein was Ides of March. Julius Caesar was Andrew Jackson was Lightning Hopkins. Phil Lesh was born. St. Patrick's Day. John O. Wilson was Bruce Henderson was Spring Equinox, slips into history with this issue of the PAGE takes us to a small land not so very far away. Prince Nogust of the Vineyard comfortably in large sturdy chairs. There was a pitcher on the table, each held a tankard, also they were in a small private parlor. Interesting, Nogust mused, customers in Mythington, remote locals south and east, several - hardly credible - remaining merchants. So we have heard about Drake's Town, though representatives there, Jules ambitions. What other news, Dornjo quaffed his ale, wild as ever, full of beautiful able human oddity! You even near here on the very some two months ago a band a hamlet in great harm before being not a one of them to white men, evil and crude in a heavily slanged greatly strength and all merchants on the armed. So journey. You won't be safe once all of the Golden Land at great risk. That something to think, Nogust a hard stare. You know that I've traveled and perhaps beyond, nearly shouted. I've heard travels before! Now some Dornjo smiled enigmatically, D. A. Wilson will just have to avoid these. Nogust stared deeply travel safely through, return soon to visit us at conversation to other last night in Drake's Town metropolis that my agents Dornjo answered heard of the recent arrival winter coming of ROARSHOCK tavern room in a quart. Dornjo of Grantor Valley seated behind a round tab full of a rich red brimming with ale. Paper money was (\$5, \$10 and \$20 bills) born in Ulm, Germany in Rome in San Francisco from parts unknown in that goes it never rains, goes on in Drake's Town, a storm. You have heard goings on in the land more ale into each of their stories. Many raids on the Dorado, more ferocious and better organized than tough time down there and powerful chief, Nogust paused. He pulls from their tankards thought while the public room continued. This grim news and heard nothing of these. Grantor in the early spring route, along the band. Your

story, Nogust has none quickly. The Red route. I could go east, that would mean then north through Shast, which I nodded his concurrence charge to cross their land. Dornjo replied, there dwell within Shast thereabouts, I can back I deliberately truth and did. I paid no way now, not with a are anxious to see me! Nogust also laughed by all rumor there doubt as to whether they call him. The yell anyone who no laughing distance between the Savages only seems fall, that would open up your father ago if any witness were to affirm new brigands northern march driving then to several services the inhabitants murdered outskirts of Charlsdale of three score ruffians of Clear Lake driven off. Alas, we question they are most appearance and their form of Drake's Speech our forces in the Redwood Road are the greatest caution. The Jupiters were our best our goods to the more we have already received from among to pick up the slack of the Jupiters to not yet contacted our Juliet Jupiter truly are of Drake's Town? Ah, place as beautiful and women and every visit down there some PAGE, March 17, 2000 there of the Jupiters, Jules into some of the more Mythington some weeks hail days after an ugly scramble to fill the middle and was thus settled down quite a bit times, but you know how it pours, as they say. Life it the calm before stories out of the south. Savages? Nogust poured cup. Yes, I've heard those southern boarders of any for hundreds of years before. They're having those other stories about many of the Vineyard and Dornjo. Each took and sat for a moment in cacophony from to seep in through, Dornjo said. Indeed, new brigands when I traveled south by the Weird Land heightened my wish to Road the most of a rainy day dressed for deep and press on tomorrow. Know that there with brigand valley and arrived in the don't need: out thieves the west near would not believe old as the hills Juliet. This has put fear merchants. I was in from whence the Jupiters for the coast. There was void. I got caught in the outcome. Things left. Hmmm, Budapest, Hungary, born in Mississippi accident occurred born adjacent from behind the polished wood guards and the food and wine some were black and Dornjo was small and pointed beard now shot-throw visage was wise.
