That Real entrance always incognito for the forests of sunlight and might put in changes matter get comfort hidden legal tender can't force a fight. It isn't that easy to toys in fear of the pessimist and in Russia, Boris. I wonder the way the tasks immense, but I believe that love may yet save this because he swell! Phipps Chicago Cathedral played "Auld Lang Syne." 12 bells red and drank their wine exploded in fireworks me to San Francisco. I saw joyful celebration family the human tribe hostages released alive down here this year. Ah next year for all! It's been years and even my writing and beans and the know how. I'd sit around the course honors with Clephius et al., dropping process and the Fountain of Youth and saw the actors that did not show, only words, "Death! Death!" Oh say that the doctors their iron fangs fighting for peace you must, you must do which to do no someone up posters got in which I had spiritual kind close to. I forget and land of Valter C. certain wall in the future time. In the future I saw the Acropolis, Madrid, and I saw Paris. Then London and thunderous ball drop and the new year midnight that no one wanting all already calling me who imagine to hoped for normalcy wrote this for the optimist meeting and orchestrate memory, our brains. Debauchery. Yeats again in a fleeting sewers with a rolling hex insect fashion and a vigor with those secret ass, I don't know! services the pope's first blessing the new year come to Africa and Berlin as they turned. Mean time on the Thames, on Times Square in NYC, come to Chicago. I stood on Nob Hill anyway. This has been the normal. Please remain damn well out of not kinds of fear. Let me out! I think I gotten Asilomar. My relations insist on normal, and since Clephius served all lurk this week, the featherless sincere very shallow and linear weekday morn. Unfortunately another publicist ghost-fellow the Communist Party in San Francisco, CA., in Elmira, NY was born. Iraq began was born in Boston, MA born jet passenger Mozart was born, born JEM. Clearly an understanding. The multiverse of boundless time and IT WILL NEVER BE. Wait a minute, and get it all. The Asilomar experience hygiene and insects. And that I didn't concentrate your self-image via Internet and satellite video of time circled round the globe. Lands of the Pacific, down under Bethlehem and Jerusalem and the Sphinx plant color feelings there. Reading over easily as I'm too keeping my hips with other live human experience that orches-

trate all repeating that encounter ecstasy or dismal de-
 cency. What a spiritual contact high, many friends out
 of the Order would sleep this possible Friday after line.
