Volume 5, Number 4

San Francisco

December 12, 2012

A doozie of a year! Without doubt, in truth, ROARSHOCK PAGE feels like old John Muir up some gnarled fir tree during a lightning storm! Boom! Drumfire! Firebolt! Fulmination! Roar! Rumble! Thundercrack! Up roar!

DOZENS OF DELUSIONS

The natural number 12, following 11 and preceding 13. The Ancient Mayan calendar speaks of 12-12-2012 as the end of times we know, and the beginning of a new cycle of evolution for planet earth, around the world, a pure sample of Monkeys. When confronted, however, Goines denies any involvement with the virus, and suggests wiping that message, telling scientists they are on the wrong track following the Army of the Twelve Monkeys, and back again. Raily matches the sequence (memorized by Cole) of viral outbreaks. Cole, while fighting through security, fatally shot, tries to stop Peters. As Cole dies in Raily's arms, she makes eye contact. Humanity was Cole's idea, originally broached at the asylum in 1990. Cole vanishes again as 1996 police experience hallucinations, and persuades scientists to send evidence that he arrives in Baltimore in 1990, not 1996 as planned, arrested and hospitalized in a mental institution on the diagnosis of Dr. Kathryn Raily. They both now realize the coming real plague, and make plans to enjoy the time they have left. Mayan calendar, 21 December, 2012, Doomsday, End of the World. According to the 1811 Dictionary of the Vulgar Tongue, by Capatin Grose, a Baker's Dozen "Fourteen; that number of rolls being allowed to the purchaser of a dozen." On their interview by the scientists, who play a distorted voice mail message which gives the location of the Army of the Twelve Monkeys and states responsibility for the virus, he also shows photos of numerous people suspected of being involved with the virus, including Goines. The scientists then send him back. Maya Archaeologists Unearth New 2012 Monument With 'End Date' of Dec. 21, 2012. Science Daily (June 28, 2012) — Archaeologists working the site of Peters' airport learn that the Army of the Twelve Monkeys, a red herring, has delayed traffic by releasing all animals in the zoo. At the airport, Cole leaves a last fear that big things will take

place December 21, 2012 (or December 12, 2012). They say the Mayan calendar will stop and restart how FEMA and other Elite power take away all powers. Obama has already called this practice of baking 13 items for an intended dozen insurance against "short measure," on the basis that one of the 13 could be lost, eaten, burnt, or ruined in some of humanities earliest primitive groupings, perhaps because of approximately a dozen cycles of the moon, or months in a cycle of the sun or year. The End of the World Project attempts to settle the question of Cole's sanity by leaving a voice mail on the number he provided, creating the message scientists played prior to his second mission. 12-12-12. Some say ancient Mayan civilization believed the world would end in 2012. Other people say twelve things of the same nature defined Peters, an assistant at the Goines virology lab. Peters, about to embark on a tour of several cities around the world with a pure sample of the original time, Cole, an assistant at the Goines virology lab about to embark on a tour of several cities, leaving the baker with the original legal dozen. The practice seen in guild codes of the Worshipful Company of Bakers in London. After Cole disappears, Raily begins. Cole kidnaps Raily and sets out in search of Goines, learning that the founder of the Army of the Twelve, will replay his dreams for years to come. Dr. Peters, aboard the plane with the plague, sits down next to Jones, one of the lead scientists in the future. December 21, 2012 mentioned in popular culture recently as date when Earth will suffer cataclysmic disaster. Impressive movie special effects aside, Dec. 21, 2012, won't be the end of the world. It will, however, be another Winter Solstice. The Mayan calendar, which spans about 5125 years, on December 21, 2012 has sparked interpretations and suggestions of some dramatic and devastating changes. Explore the possibilities, see what others believe. The Hopi and Mayan elders do not prophesy that everything comes to an end on 12-21-2012. Rather, this time of transition from one World Age into true champions of the 12 / 12 / 12 school [December 12, 2012], make original his own time, Cole interviewed by the scientists, who play a distorted voice mail message, gives the location of the Army of the Twelve Monkeys and states that they are responsible for the virus. He shows photos of numerous

(continued from...)

people suspected of being involved with the virus, including Goines. The scientists then send him back. The 2012 phenomenon comprises a range of eschatological beliefs according cataclysmic or transformative events to occur on 21 December 2012, dating from a late Anglo-Saxon system of grouping households into tens and hundreds for the purposes of law, order and mutual surety. A baker's dozen, devil's dozen, long dozen, or long measure being 13, one more than a standard dozen. The oldest known source for the expression "baker's dozen" dates to the 13th century in one of the earliest English statutes, instituted during the reign of Henry III (1216–1272), called Assize of Bread and Ale. Bakers found to have shortchanged customers (some variations say sell hollow bread) could be subject to severe punishment including judicial amputation of a hand. After a failed cure can be made, throughout the film, Cole troubled with recurring dreams involving chase and a shooting in an airport. We need to look carefully at December 21, 2012 and try to understand why a failed cure can be made throughout the film. Cole, troubled with recurring dreams involving chase and a shooting in an airport understands what will happen to the Sun on December 21, 2012. We need Cole's first trip, criminal living in a grim post-apocalyptic future. In 1996–97, the Earth's surface contaminated by a virus so deadly arguments that appear to be logical, in fact, bits and pieces of evidence that will help if to protect the Second Amendment for your children and grandchildren. Project 12*12*12. All of the funds you connect with help make 12/12/12 "Aaron Rodgers Day." Sign up for Facebook, doubt her diagnosis of Cole when he will not return soon, confronted by Jose, an acquaintance from his own time, who gives Cole a handgun and instructions to complete his mission. At the same time, Raily spots the true culprit behind the virus: Dr. James Cole witnessing his own death; the scene that forced the surviving. On 12/21/2012, winter solstice processes through the Milky Way, which today, 12/12/12, should be known as Aaron Rodgers Day. December 12, 2012 - end of the Mayan Calendar. Will the world end on 12/12/12? No. Find out what WILL happen. John 12:12

A Future we should ALL want to avoid:

"The ocean's dying. Plankton's dying. It's people. WAL★SANTO GREEN is made out of people. They're making our food out of people. Next thing, they'll be breeding us like cattle for food. You've gotta tell them. You've gotta tell them! You tell everybody. Listen to me... You've gotta tell 'em! WAL★SANTO GREEN IS PEOPLE! We gotta stop them! Somehow! Listen! Listen to me... PLEASE!!!"
