San Francisco

December 21, 2013

**E**ver since the world ended December 21, 2012, what a marvel all that has happened since. All through 2013 ROARSHOCK PAGE found new ways through uncharted territories. Here we review the last 12 months as 2014 beckons us forward.

## ROARSHOCK PAGE: 2013 IN REVIEW

.....*a new experiment begins with the serialization of what may be the first novel composted most entirely from SPAM!.....* The men in black knew all secrets of the Kennedy assassination, being honor bound to protect those secrets, despite the investigative reporting of Mark Twain and Ambrose Bierce. Had he not disappeared in Mexico, Bierce would have had much to reveal about The National Security Act of 1947, and the founding of the CIA and NSA. ....*Punxsutawney Phil Sowerby & Friends celebrate Candlemas and Groundhog Day, and Happy Birthday James Joyce!.....* The current wanderer had little found baggage that witchcraft dared her in her wrinkled eyes. Perchance the Nation wears experience, Mr. Gaff H. Freestanding, loud and earnestly he questioned lock school. ....*Silver Streak Comics Group/Pinel Publications turns 40 this month.....* We were unable to sleep write, sir. But ground fly match that reminds my tongue of wall pain soft inquired of the elder Envious Q. Murderous. “With black lock upset a juicy agent could burst the faction! To get married? No--yes, he was overflow smoke knee wake, NOW I recollect.”—statement bulb—“One instant, infamous concerned deceive will flung secretary, you see that we strung reality going to liver without you, any way you want, or rather a reproof veiled, either it gets tired, or you can lie down.” said Emily Neff. “Everything, even November, knew the story that I meant to tell in reply to the old black witch, in a tone of spicy fragrance. ....*Those gathered will then follow the Stations of Stupid, performing the necessary rituals, such as checking the lug nuts, to make sure they are good and tight, and that Old California will remain attached to New California for another year.....* Cook serve a next Powered Mutant

Dictator Cheese fun. Head Order Dread Rocks Rock in climbing a hiding volcano. I am assisted by some wicked flight instructor. Jesus Hussein struck the building. The airplane, which also carried flight instructor Oversleep Q. Kaohsiung struck the building to pull out of the central front in this war.” A light wind and prompt service, from a friendly and professional customer service team was cited by federal investigators who said Bullshit D. Salvageable wore the duck. ....*Clephius J. Troll might yet have accomplished his Good Works without Dan Nettell, but it would have been much more difficult.....* Forest Chaplain Daniel Flanagan praised authorities for charging the man accused, but he did not disclose a motive and would not say what led to finishing a four-day fast, because and before the case continued. ....*Merry month of May, the heart of spring and gateway to summer on the northern Earth. While the air stays full with the scent of flowers.....*

## KING SAINT FINNERTY THE FESTIVE!

..what goes around comes around...

August Ferdinand Möbius (1790–1868)

.....*Bloomsday comes but once a year, but when it does it brings good cheer, and if we don't weep, or cry in our sleep, then we shall grin from ear to ear.....* Now everything has changed and transformed, over many ages, many friends and loved ones scattered, and some dear ones now with the dead. Cycles turning around, just like they always will. The new generation comes on the scene, and we shall see how they throw the shoes. ....*Shake up the Status Quo and re-direct reality.....*

## REAL REPLICA WATCHES

.....*40 years ago today something weird happened to Robert Anton Wilson, which he interpreted—at the time—as a telepathic communication from extraterrestrial beings from the Dog Star, Sirius.....* All that I crave, clothes, the

name of our people; the land of the Phaeacians who got through the night with credit. If it had sharpened the lances, it was opened by your bewildered screw, Bullshit D. Salvageable, not necessary to shop for Maggie Maria, or admit him to the visit he so much desired that night.

.....*We are glad to be here doing whatever we are doing, and will keep doing it a while longer*..... “What's your plan?” President Oversleep Q. Kaohsiung said at a rally in support of the president's handling of the old lady, as she put away her bonnet frames to play with me. One little girl was so kind as to come on purpose to invite you to a share in her own appearance, to deceive the eyes of Gaff H. Freestanding. ....*For only a brief twinkling are we alive in the field of time, and now it rests upon us to observe traditions that transcend us and transcend time*..... All these explained and altered with ease, or to avoid defeat of any kind, and so not know that Oversleep Q. Kaohsiung found it necessary to coin words. Honey called sweet because it contains sweetness to shyly attract and hold the attention of Envious Q. Murderous, who meanwhile went garden cooing on misspelled miniature step, and the wind blew strongly as these quaint wine dreams have come, infinite as the sea, and her love as deep. ....*November daylight attempts to illuminate the scene and sense of where we are going from where we have been*.....

Abraham Zapruder's Bell & Howell Zoomatic movie camera with which he captured U.S. President John F. Kennedy's assassination in Dealey Plaza, Dallas, Texas on November 22, 1963. Public domain image from the collection of the U.S. National Archives.
